GOVERNMENT OF ARUNACHAL PRADESH
DEPARTMENT OF LAND MANAGEMENT
ITANAGAR

NOTIFICATION

The 28th August, 2024

No. LMD-13011(14)/2/2024/844.—In exercise of the powers conferred by Section 4(1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013, the Governor of Arunachal Pradesh is pleased to notify the following instructions for regulating Social Impact Assessment and to prepare Social Impact Assessment Report and Social Impact Management Plan in consultation with the project affected people for strict adherence henceforth.

WHEREAS, the power and function of the appropriate authority under the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 vest in the Governor of Arunachal Pradesh which shall be exercised and discharged by him within the State.

WHEREAS, the Requiring Body, THDC India Limited, has submitted a requisition vide No. THDCIL/APP/Namsai/F/136 dated 25th June, 2024 for acquisition of land to an extent of 963.76 Hectare for developing Kalai - II (1200 MW) Hydro Power Project and the requisition proposal has been further recommended and submitted by the Deputy Commissioner of Anjaw District.

WHEREAS, it appears to the Governor of Arunachal Pradesh that the land is likely to be needed at the locality more fully described in the schedule below for establishment of Hydro Power Project Kalai - II (1200 MW) for an area measuring 963.76 Hectares located at Hawaii under Hawaii Circle in Anjaw District, Arunachal Pradesh. It is hereby notified that the land in locality/localities in the schedule below is likely to be acquired for the above said purpose at the expense of requiring body.

WHEREAS, it appears from the letter No. ANJ/LM - 35/2024 - 25 dated 9th August, 2024 received from the Deputy Commissioner, Anjaw District, Hawaii that there is likely displacement of human settlement in the proposed area, therefore there will be requirement of Social Impact Assessment as a result of acquisition of this land by the power developer THDC India Limited and families likely to be displaced shall have to be resettled due to the proposed land acquisition and as such Social Impact Assessment study shall be required for Rehabilitation and Resettlement of the likely project affected and likely displaced families.

WHEREAS, the Social Impact Assessment is required to be carried out in consultation with the likely project affected people and Gram Sabhas to ensure a humane, participative, informed and transparent process of land acquisition for development of Hydro Power with the least disturbance to the owners of the land and other affected families and provide just and fair compensation to the likely affected families whose land is likely to be acquired or proposed to be acquired or are likely to be displaced by such acquisition and make adequate provisions for such displaced persons for their Rehabilitation and Resettlement and to improve in the post-acquisition social and economic status and for matters connected there with or incidental there to.

WHEREAS, in the connection, a Social Impact Assessment Unit and Team shall be notified immediately after issue of this Notification for carrying out Social Impact Assessment in consultation with the likely project affected people and likely to be displaced families. The Social Impact Assessment Unit and the Team is authorized to enter the proposed area for consultation with likely displaced people and Gram Sabhas and conduct public hearing by giving wide publicity among the likely project affected families. The Social Impact Assessment Unit and the Team shall take the consent of the project affected people and carry out the exercise in consultation with the likely to be displaced project affected people and shall not make any attempt of coercion or threat during the process of Social Impact Assessment.

The Deputy Commissioner/Administrator, Anjaw District shall separately notify the name and contact details of the leaders of the Social Impact Assessment Unit among the project affected people and the Gram Panchayats.

The entire exercise of Social Impact Assessment shall be completed within a period of two months from the date of issue of this notification and the Social Impact Assessment Report and Social Impact Management Plan shall be handed over to the Deputy Commissioner, Anjaw District for further publication and disclosure of summary of Social Impact Assessment Report and Social Impact Management Plan among the likely project affected people and the Gram Panchayats.

NOW THEREFORE, this notification is made under the provision of Section 4(1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 for carrying out Social Impact Assessment and to prepare Social Impact Assessment Report and Social Impact Management Plan in consultation with the project affected people who are likely to be displaced due to implementation of the Kalai - II (1200 MW) Hydro Power Project by the Power Developer THDC India Limited at 25 Villages (Name of 25 Villages shown at Column No. 3 below), Hawaii Circle, Anjaw District, Arunachal Pradesh.
